[ACC peer review comment period 2017-01-04-174400.pdf](#)

Susan and Christina,

Please find attached letter of denial for extension.

You still have until Monday January 9 to submit comments.

If you have any trouble with the docket please don't hesitate to also send comments directly to my senior DFO Steve Knott.

If you have any further questions you can also call and we can discuss.

Stanley Barone Jr., M.S., Ph.D.

Acting Director Office of Science Coordination Policy (OSCP)

Office of Chemical Safety and Pollution Prevention (OCSPP)

Subject: Letter from the American Chemistry Council

Good morning. Attached please find a letter from the American Chemistry Council requesting an extension of the comment period regarding the nominations to the Science Advisory Committee on Chemicals. We are also sending a copy in the mail. Thank you.

Susan Blanco | American Chemistry Council

Executive Assistant, Regulatory & Technical Affairs
